Tanzu	TKG	TKG	TKG				

The table above represents the individual components that comprise the VCF packaged editions and does not preclude customers from purchasing add-ons or upgrades as long as they meet the compatability

(1) Components are offered with Perpetual Licenses Unless otherwise Specified

(2) Component offered as a term Subscription. Tanzu Std can be upgraded to Tanzu Adv

(3) All components in VCF-S are term subscriptions, except for vRealize Cloud Universal which is a SaaS offering

VMware Cloud Foundation Edition Matrix

	Connected							Disconnected		
By CORE	**Cloud Packs**	**VCF**					**By CORE**	**Cloud Packs**	**VCF**	
	SDDC Manager	SDDC Mgr						SDDC Manager	SDDC Mgr	
	vSphere+^{3,4}	ENT +						vSphere	ENT +	
	vSAN+^{3}	ENT						VSAN	ENT	
	NSX	ENT+						NSX	ENT+	
	vRNI	ENT Add-on						vRNI	ENT Add-on	
	vRCU^{3}	ENT						vRealize Suite	ENT	
	SRE	Essentials						SRE	Essentials	
								Tanzu	TKG	
								vCenter Server	Std	

The table above represents the individual components that comprise the VCF packaged editions.

(1) All components are offered with Term Subscription licneses (TLSS)

(2) All components are offered with SaaS licenses (NSX, VRNI, SDDC Manager are currently Term licenses, but will move to SaaS in the near future)

(3) These products are connected, and are ratable

(4) Tanzu-TKG, Vcenter Server Std are embedded in Vsphere+
